[1] Benefits are paid on allowable amounts; using providers who contract with Blue Cross Blue and Shield of Texas will protect you from liability for amounts over the allowable amount. [2] HealthSelect Out-of-State applies to employees and retirees under age 65 and their eligible dependents who live or work outside of Texas. You cannot enroll in Out-of-State coverage unless your work or home address is outside of Texas. [3] Applies to plan year, September 1 - August 31. [4] Does not include copays. [5] Copay depends on whether treatment is given by PCP or specialist. [6] For treatment charges, one visit per plan year. [7] Outpatient testing only. Does not apply to inpatient services. [8] Active employees only; see health plan for additional requirements/limitations. [8A] The deductible and coinsurance paid for bariatric surgery does not apply to the total out-of-pocket maximum. [9] No copay if high-tech radiology is performed during ER visit or inpatient admission. [10] Out-of-pocket maximums are not mutually exclusive from other out-of-pocket limits. This means that a participant's total network out-of-pocket maximum could contain a combination of coinsurance and/or copayments. (For example, a participant could pay up to $6,550 in copayments alone if there was no coinsurance paid throughout the year. If a participant met the $2,000 coinsurance out-of-pocket maximum, he/she would pay $4,550 in copayments, totaling $6,550 in overall out-of-pocket expense.) [11] Includes medical and prescription drug copays, coinsurance and deductibles. Excludes non-network and bariatric services.
[12] Preauthorization required. Mental Health Benefits follow those of medical and surgical benefits listed in this chart. This comparison chart offers a general overview of benefits and their associated out-of-pocket expenses under HealthSelect plans and the HMOs. Contact the plan's customer service department for specific questions. *Under the Affordable Care Act, certain preventive and women's health services are paid at 100% (at no cost to the participant) dependent upon physician billing and diagnosis. In some cases, the participant will still be responsible for payment on some services. **Effective calendar year
